Dear Prospective Sponsor:

When a girl becomes a member of a Club Volleyball team, her family incurs tremendous expenses while traveling out-of-state and to various in-state tournaments within the USAV Volleyball Program and AAU Sports Program.

With the educational and athletic opportunities being offered to young athletes today, the goal of our Club is to develop positive attitudes toward teamwork, a structured environment for technical training, competitive challenges and maximum exposure of our athletes to college recruiters no matter what their financial limitations may be. We are proud to say that many of our members have received full or partial athletic scholarships to play volleyball in college!

Becoming an advertiser on our website will help many of these young athletes attain success in the Junior Olympic Volleyball Program. ALL of your sponsorship money goes directly into the account of the athlete you are sponsoring. If you have any questions, please call myself at 941-723-9125, or email me at gcjvb@tampabay.rr.com.

We thank you for your kind support!

Please EMAIL your ads to gcjvb@tampabay.rr.com. Placement on the website will be determined on the amount of the sponsorship. Closing deadline for ads will be February 5, 2012. Any ads received after that date will not be published on the website. Please make your check payable to GCJVC and send it to the address above.
